**19.4. Record Date and Ratio of Buy-back as per the Buy-back Entitlement in each Category:**

- a) The Company has fixed Friday, July 5, 2019 as the Record Date for the purpose of determining the Buy-back Entitlement and the names of the Equity Shareholders who are eligible to participate in the Buy-back.
- b) The Equity Shares to be bought back as a part of this Buy-back are divided into two categories:
  - (a) Reserved category for Small Shareholders (“**Reserved Category**”); and
  - (b) General category for other Eligible Shareholders (“**General Category**”).
- c) As defined in the Buy-back Regulations, Small Shareholder is a shareholder, who holds Equity Shares of the Company, as on the Record Date, whose market value, on the basis of closing price on the recognized Stock Exchange registering the highest trading volume is not more than ₹2,00,000 (Rupees Two lakhs Only). As on the Record Date, the closing price on NSE, was ₹680.55. Accordingly, all Equity Shareholders holding not more than 293 Equity Shares as on the Record Date are classified as “Small Shareholders” for the purpose of the Buy-back.
- d) Based on the above definition, there are 25,343 Small Shareholders in the Company with aggregate shareholding of 12,42,972 Equity Shares as on the Record Date, which constitutes 7.26% of the outstanding number of Equity Shares of the Company and 60.36% of the maximum number of Equity Shares which the Company proposes to buy-back as a part of this Buy-back.
- e) In compliance with Regulation 6 of the Buy-back Regulations, the reservation for the Small Shareholders, will be higher of:
  - (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buy-back i.e. 15% of 20,59,243 Equity Shares which works out to 3,08,887 Equity Shares; or
  - (b) The number of Equity Shares entitled as per their shareholding as on Record Date i.e.  $(12,42,972/1,71,10,114) \times 20,59,243$ , which works out to be 1,49,595 Equity Shares.
    - (1) All the outstanding fully paid-up Equity Shares have been used for computing the Buy-back Entitlement of Small Shareholders.
    - (2) Based on the above and in accordance with Regulation 6 of the Buy-back Regulations, 3,08,887 [(Rounded off)] fully paid-up Equity Shares have been reserved for Small Shareholders.

Accordingly, General Category for all other Eligible Shareholders shall consist of 17,50,356 Equity Shares.

- f) Based on the above Buy-back Entitlement, the Ratio of Buy-back for both categories is decided as below:

Category of Shareholders	Ratio of Buy-back*
Reserved category for Small Shareholders	41 Equity Share(s) out of every 165 fully paid-up Equity Share(s) held on the Record Date.
General category for all other Eligible Shareholders	46 Equity Share(s) out of every 417 fully paid-up Equity Share(s) held on the Record Date.

*\*The above ratio of Buy-back is approximate and provides an indicative Buy-back Entitlement. Any computation of entitled Equity Shares using the above ratio may provide a slightly different number due to rounding off. The actual*

*Buy-back Entitlement for Reserved Category for Small Shareholders is 0.248506804658512 and General Category for all other Eligible Shareholders is 0.11031324985936.*

#### **19.5. Fractional Entitlements:**

If the Buy-back Entitlement under the Buy-back, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of Buy-back Entitlement to tender Equity Shares in the Buy-back for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 4 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buy-back and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

#### **19.6. Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders:**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by the Small Shareholders in the Reserved Category in the following order of priority:

- (i) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buy-back Entitlement or the number of Equity Shares tendered by them, whichever is less.
- (ii) Post the Acceptance as described in paragraph 19.6 (i) above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender Zero Equity Share (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buy-back, shall be given preference and 1 (one) Equity Share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- (iii) Post the Acceptance as described in paragraph 19.6 (i) and 19.6 (ii) above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buy-back Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptances per Small Shareholder shall be made in accordance with the Buy-back Regulations, i.e. valid acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom 1 (one) Equity Share has been accepted in accordance with paragraph 19.6 (ii) above, shall be reduced by 1 (one).
- (iv) Adjustment for fractional results in case of proportionate Acceptance, as described in paragraph 19.6 (iii) above:
  - (a) For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - (b) For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

#### **19.7. Basis of Acceptance of Shares validly tendered in the General Category:**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by all Eligible Shareholders in the General Category in the following order of priority:

- (i) Acceptance of 100% Equity Shares from Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buy-back Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (ii) Post the Acceptance as described in paragraph 19.7 (i) above, in case there are any Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the Eligible Shareholders over and above their Buy-back Entitlement shall be accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per Shareholder shall be made in accordance with the Buy-back Regulations, i.e. valid acceptances per Shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholder divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be accepted in General Category.
- (iii) Adjustment for fractional results in case of proportionate acceptance as described in paragraph 19.7 (i) and (ii) above:
  - (a) For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - (b) For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

#### **19.8. Basis of Acceptance of Equity Shares between Categories**

- (i) In case there are any Equity Shares left to be bought back in one category ("**Partially filled Category**") after acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the other category, then the Additional Equity Shares in the other category shall be accepted proportionately, i.e. valid acceptances per Eligible Shareholder shall be equal to the Additional outstanding Equity Shares validly tendered by an Eligible Shareholder in the other category divided by the total Additional outstanding Equity Shares validly tendered in the other category and multiplied by the total pending number of Equity Shares to be bought back in the Partially filled Category.
- (ii) If the Partially filled Category is the General Category, and the other category is the Reserved Category for Small Shareholders, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom 1 (one) Equity Share has been accepted in accordance with paragraph 19.6 (ii) shall be reduced by 1 (one).
- (iii) Adjustment for fraction results in case of proportionate Acceptance, as defined in paragraph 19.8 (i) and (ii) above:
  - (a) For any Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - (b) For any Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

#### **19.9. For avoidance of doubt, it is clarified that:**

- (i) The Equity Shares accepted under the Buy-back from each Eligible Shareholder, in accordance with paragraphs above, shall not exceed the number of Equity Shares tendered by the respective Eligible Shareholder;
- (ii) The Equity Shares accepted under the Buy-back from each Eligible Shareholder, in accordance with paragraphs above, shall not exceed the number of Equity Shares held by respective Eligible Shareholder as on the Record Date; and

- (iii) The Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of Acceptance in accordance with the paragraphs above.

#### **19.10. Clubbing of Entitlement**

In order to ensure that the same Eligible Shareholders with multiple demat accounts / folios do not receive a higher entitlement under the Small Shareholder category, the Registrar to the Buy-back will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General Category) and the Buy-back Entitlement. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buy-back as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

#### **20. PROCEDURE FOR TENDERING EQUITY SHARES AND SETTLEMENT**

- 20.1.** The Buy-back is open to all Eligible Shareholders holding Equity Shares of the Company either in Demat or Physical mode, as on the Record date, i.e. Friday, July 5, 2019. However, Eligible Shareholders holding Equity Shares in physical form are required to get their Equity Shares dematerialized before tendering their Equity Shares in the Buy-back.
- 20.2.** The Company proposes to Buy-back Equity Shares through Tender Offer method on a proportionate basis. ## **EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.**

Given below is a broad summarization of the applicable sections of the Income-tax Act, 1961 (“**Income Tax Act or ITA**”) relating to treatment of income-tax in case of buyback of listed equity shares on the stock exchange, which is provided only as a guidance.

### **I. GENERAL**

The Indian tax year runs from 1<sup>st</sup> April to 31<sup>st</sup> March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act.

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his / her Indian sourced income or income received by such person in India. In case of shares of a company, the source of income from shares would depend on the ‘situs’ of the shares. As per judicial precedents, generally the “situs” of the shares is where company is “incorporated” and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Taxation Avoidance Agreement (“**DTAA**”) subject to satisfaction of the relevant conditions and documentary compliance requirements prescribed under the ITA.

The ITA also provides for different tax regimes / rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary tax implications on buyback of equity shares listed on the stock exchange in India is set out below. All references to equity shares in this note refer to equity shares listed on the stock exchange in India unless stated otherwise.

### **I. CLASSIFICATION OF SHAREHOLDERS**

Shareholders can be classified under the following categories:

#### **A) Resident Shareholders being:**

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
- Others:
  - Company
  - Other than Company

#### **B) Non Resident Shareholders being:**

- Non Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
  - Company
  - Other than Company

### **II. CLASSIFICATION OF INCOME**

Shares can be classified under the following two categories:

- A) Shares held as investment (Income from transfer taxable under the head “Capital Gains”)
- B) Shares held as stock-in-trade (Income from transfer taxable under the head “Profits and Gains of Business or Profession”, hereinafter referred to as “business income”)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterization of income arising from sale of shares has been a subject matter of litigation with the tax authorities. The Central Board of Direct Taxes (“**CBDT**”), the apex body for

Income-tax administration has issued Circular no. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months, if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same shall not be put to dispute by the Tax Officer. However, this stand, once taken by the assessee in a particular assessment year, shall remain applicable in the subsequent assessment years also and the taxpayer shall not be allowed to opt a different / contrary stand in this regard in the subsequent years.

Further, investments by FII / FPI in any securities in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992 would be treated as capital asset and the transfer of such shares would be treated as “capital gains” under the provisions of the Income Tax Act.

## **A) SHARES HELD AS INVESTMENT**

- i. As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on Buy-back of shares are governed by the provisions of Section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per computation provisions contained in Section 48 of the Income Tax Act. The provisions of buy-back tax on the Company under Section 115QA in Chapter XII-DA of the Income Tax Act does not apply for shares listed on the stock exchange, as per the Taxation Laws (Amendment) Ordinance, 2019.

### **ii. Period of holding**

Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long term capital gain’ as stated below:

- In respect of equity shares held for a period of less than or equal to 12 months prior to the date of transfer, the same shall be treated as a ‘short-term capital asset’, and the gains arising therefrom shall be taxable as ‘short term capital gains (“STCG”)
- Similarly, where equity shares are held for a period of more than 12 months prior to the date of transfer, the same shall be treated as a ‘long-term capital asset’, and the gains arising therefrom shall be taxable as ‘long-term capital gains’ (“LTCG”).

### **iii. Buy-back of shares through a recognised stock exchange**

Where a transaction for transfer of such equity shares (i.e. buy-back) is executed through a recognised stock exchange, they are liable to Securities Transaction Tax (‘STT’). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the recognised Stock Exchange in India. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security:

- As per the provisions of the ITA as amended by the Finance Act, 2018, the exemption to LTCG provided u/s 10(38) of ITA has been withdrawn and tax is levied on LTCG exceeding ₹1 lakh in a financial year arising on transfer of listed equity shares @ 10% without allowing the benefit of indexation. However, as per Section 55(2)(ac) of ITA, gains accrued on such equity shares till January 31, 2018 have been exempted by providing that the cost of acquisition in respect of such equity shares which would be transferred on or after April 1, 2018 shall be higher of i) the actual cost of acquisition of such equity shares acquired before February 1, 2018 **or** ii) the lower of a) the highest price of such equity shares quoted on the recognised stock exchange on the January 31, 2018; or b) the actual sale value of such equity shares.
- However, Section 112A of the ITA shall not apply if such equity shares were acquired on or after 1 October 2004 and securities transaction tax (‘STT’ under Chapter VII of the Finance (No. 2) Act, 2004) was not paid. In this regard, the Central Government has issued a notification dated October 1, 2018 (Notification No. 60/2018/F. No. 370142/9/2017-TPL) providing certain situations wherein Section 112A of the ITA will continue to be applicable even if STT is not paid at the time of acquisition of equity shares. The notification provides for the following situations:

- a. Where acquisition of existing listed equity share in a company, whose equity shares are not frequently traded on a recognised stock exchange of India, was made through a preferential issue, subject to certain exceptions;
  - b. Where transaction for acquisition of existing listed equity share in a company was not entered through a recognised stock exchange of India, subject to certain exceptions;
  - c. Acquisition of equity share of a company during the period beginning from the date on which the company was delisted from a recognised stock exchange and ending on the date on which the company was again listed on a recognised stock exchange in accordance with the Securities Contracts (Regulation) Act, 1956 read with Securities and Exchange Board of India Act, 1992 (15 of 1992) and any rules made there under.
- Where provisions of Section 112A are not applicable, LTCG will be chargeable to tax at 20%. However, for a resident shareholder, an option is available to pay tax on such LTCG at either 20% with indexation or 10% without indexation.
  - STCG arising from such transaction would be subject to tax @ 15% under Section 111A of the ITA. Unlike in the case of LTCG, no amendment has been made that requires payment of STT at the time equity shares are acquired for eligibility of the concessional rate of 15% on STCG.
- iv. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such STCG taxable under Section 111A of the Income Tax Act. In such cases, where the total income as reduced by such STCG is below the maximum amount not chargeable to tax, then such STCG shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income tax and on the balance of STCG, if any, income tax @ 15% is charged. In addition to the above STCG tax, surcharge, health and education cess are leviable (Please refer to paragraph 21. III. below for rate of surcharge and cess).
  - v. Further in case of Eligible Shareholders being companies as defined under the Income Tax Act, the tax provisions of minimum alternate tax on book profits as provided u/s. 115JB of the Income Tax Act need to be considered depending on their income and losses, etc. for the year.
  - vi. Non-resident shareholders can avail beneficial provisions of the applicable DTAA, if any, entered into by India with relevant country in which the shareholder is resident but subject to fulfilling relevant conditions and submitting / maintaining necessary documents prescribed under the Income Tax Act.

## **B) SHARES HELD AS STOCK-IN-TRADE**

If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the head "Profits and Gains of Business or Profession". In such a case, the provisions of Section 46A and Section 48 of the Income Tax Act will not apply.

### **i. Resident Shareholders**

- a) For individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
- b) For Domestic Companies, the tax rate applicable is based on their applicability and option availed by them which range from 22% to 30%.

No benefit of indexation by virtue of period of holding would be available in any case.

### **ii. Non Resident Shareholders**

- a) Non-resident shareholders can avail beneficial provisions of the applicable DTAA, if any, entered into by India with relevant shareholder country but subject to fulfilling relevant conditions and submitting / maintaining necessary documents prescribed under the Income Tax Act.
- b) Where DTAA provisions are not applicable:
  - For non-resident individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
  - For foreign companies, profits would be taxed in India @ 40%.

- For other non-resident shareholders, such as foreign firms, profits would be taxed in India @ 30%.

In addition to the above, surcharge, health and education cess are leviable (Please refer to paragraph 21. III. below for rate of surcharge and cess).

## II. TAX DEDUCTION AT SOURCE

### A) In case of Resident Shareholders

In absence of any specific provision under the Income Tax Act, the Company is not required to deduct tax at source on the consideration payable to resident shareholders pursuant to the Buy-back.

### B) In case of Non-resident Shareholders

In the case of a non-resident shareholder, the gains taxable under the head 'Capital Gains' (out of the consideration received from buy-back) will be subject to the provisions of Tax Deduction at Source ('TDS'). The rates of TDS applicable to Non-resident shareholders are as follows:

- Income classified as LTCG referred to in Section 112A shall be subject to TDS at 10%
- Income classified as STCG referred to in Section 111A shall be subject to TDS at 15%

Since the buy-back is through the stock exchange, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder. The non-resident shareholder must compute such gains (if any) on this transaction and immediately pay applicable taxes in India in consultation with their custodians / authorized dealers / tax advisors appropriately. The non-resident shareholders must file their tax return in India inter-alia considering gains arising on this buyback of shares in consultation with their tax advisors.

The non-resident shareholders undertake to indemnify the Company if any tax demand is raised on the Company on account of gains arising to the non-resident shareholders on buyback of shares by the Company. The non-resident shareholders also undertake to provide the Company, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds arising on buyback of shares by the Company, copy of tax return filed in India, evidence of the tax paid, etc.

## III. RATE OF SURCHARGE AND CESS

### A) Surcharge

- In case of domestic companies: Surcharge @ 12% is leviable where the taxable income exceeds ₹10 crores and @ 7% where the taxable income exceeds ₹1 crore but does not exceed ₹10 crores and Surcharge @ 10% in case domestic companies opted for Section 115BAA.

Further, enhanced rate of surcharge is not applicable in case of LTCG.
- In case of Firm, Local Authority: Surcharge @ 12% is leviable where the taxable income exceeds ₹1 crore.

### B) Cess

Health and education cess @ 4% is leviable in all cases.

The above note on taxation sets out the provisions of law in a summary manner only and is not a complete / exhaustive analysis or listing of all potential tax consequences on the disposal of equity shares under the Buy-back.
