Press Release

Sasken appoints Edwin Moses as President and COO

Bengaluru, August 3, 2020: Sasken Technologies Ltd. (BSE: 532663 & NSE: SASKEN) today announced the appointment of Edwin Moses as President and Chief Operating Officer reporting to Chairman, Managing Director & CEO Rajiv C Mody. Effective immediately, he will assume responsibility for Worldwide Sales, Global Delivery, Practice & R&D, Marketing, and other business enabling functions.

“Edwin is an accomplished industry leader who has driven and executed global growth & transformation initiatives in complex markets and operating environments,” said Rajiv C Mody, Chairman, Managing Director & CEO, Sasken. “We believe his strong track record of driving strategic alignment and accountability, also championing operational excellence across the organization, will lead our concerted efforts to grow multi-year, sustainable revenue streams. Edwin will drive this transformation from here on,” added Rajiv C Mody.

“I am excited to be back at Sasken, a company I regard as my alma mater and I look forward to leveraging the engineering DNA of Sasken and realize its potential to the fullest,” said Edwin Moses. “I am confident that the leadership team and I will charter a course to ensure Sasken emerges a stronger and scaled provider of world-class ‘Chip to cognition services’,” he added.

Edwin brings 35+ years of deep cross-functional leadership experience across a diverse array of markets and industries. Till recently, he was with the Oracle Corporation as the Group Vice President for FSGBU Consulting business. In his earlier stint with Sasken, he led the Worldwide Marketing and Sales for the company’s Products Division between 2001 – 08.

About Sasken

Sasken is a specialist in Product Engineering and Digital Transformation, providing concept-to-market, chip-to-cognition R&D services to global leaders in Semiconductor, Automotive, Industrials, Consumer Electronics, Enterprise Devices, SatCom, and Transportation industries. For over 30 years and with multiple patents, Sasken has transformed the businesses of 100+ Fortune 500 companies, powering more than a billion devices through its services and IP.

Established in 1989, Sasken employs around 1,600 people, operating from state-of-the-art centers in Bengaluru, Pune, Chennai, and Kolkata (India), Kaustinen and Tampere (Finland), Detroit (USA), and München (Germany). Sasken also has a presence across Japan and the UK. Sasken has been listed on the National Stock Exchange of India Ltd. and BSE Ltd. in Mumbai, India, since its initial public offering in 2005.

Sasken’s solutions are backed by CMMI-DEV-V1.3-ML3, ISO 9001 (QMS) and ISO/IEC 27001 (ISMS) certifications. Sasken’s proprietary quality management system strengthens its business offerings and ensures client satisfaction. Sasken’s commitment to the environment, health, and safety are backed by its ISO 14001 (EMS) certification.

Sasken is compliant with ISO 26262 Road Vehicles-Functional Safety standard for Management of Functional Safety, Software Product Development, and Supporting Processes.
